Dr. D. Y. Patil Vidyapeeth (Deemed University), Pune, India cordially invites you to participate in the National Symposium on “Recent Advances in Modern Biology & Biotechnology 2017 (RAMBB 2017)” being organized by Dr. D.Y. Patil Biotechnology and Bioinformatics Institute on 16th and 17th March 2017.

Dr. D. Y. Patil Vidyapeeth was established in the year 2003 under section 3 of the UGC act 1956, Government of India and is re-accredited by NAAC with 'A' grade. The Vidyapeeth has seven constituent Institutions at Pune, viz. Padmashree Dr. D. Y. Patil Medical College, Hospital and Research Centre, Dr. D. Y. Patil Dental College & Hospital, Dr. D. Y. Patil Biotechnology & Bioinformatics Institute, Global Business School & Research Centre, Padmashree Dr. D. Y. Patil College of Nursing, Padmashree Dr. D.Y. Patil College of Physiotherapy and Dr. D. Y. Patil Institute of Optometry and Visual Sciences.

Dr. D. Y. Patil Biotechnology and Bioinformatics Institute provides high quality research under the guidance of scientists trained in leading national and international institutes. The institute gives thrust to quality education by supporting research based learning in Biotechnology and Bioinformatics. Academic learning is offered with an inkling of career relevance, social responsibilities and a conducive environment for the teaching and learning process. The institute has received research funding from Swedish International Development Cooperation Agency, Department of Science and Technology, Government of India and Department of Biotechnology, Government of India with funding up to 11 crores. The institutes has international collaborations with University of Skovde, Sweden; Orebro University, Sweden; University of Sfax, Tunisia for academic and research exchanges.

The contributions of Biotechnology and Bioinformatics are well recognized in the field of agriculture, medicine, food industry, environment safety and allied areas. This symposium will provide a platform for students, research scholars, academicians and industries to interact and share the recent knowledge in various contemporary areas in Biology and Biotechnology.

We look forward to extending our hospitality to you and hope that your participation will make this symposium a grand success.
